**FROM SOFT WHISPERS TO BOLD STATEMENTS,
PRISM GIVES LIFE TO YOUR VISION.**

Color is more than a visual it's an emotion, a memory, a statement. The Prism Collection is born from this belief, bringing together an exquisite palette that transforms spaces into experiences.

The beauty of color lies in its power to transform. Prism brings that transformation to your interiors.

THE ART OF SHADE

Every shade in the Prism Collection tells a story of nature's brilliance, of artistic vision, of design excellence. Created for architects, designers, and homeowners who understand the value of detail, these surfaces invite you to explore endless possibilities.

From daylight's soft glow to the drama of evening shadows, Prism responds beautifully, turning light and color into a living, breathing element of your interiors.

FROM VISION TO REALITY

Great design begins with imagination, and the Prism Collection turns imagination into reality. With a curated spectrum inspired by both the serenity of nature and the energy of modern living, it offers solutions that adapt seamlessly to different spaces. These are not just tiles they are foundations for creativity.

Trends fade, but true beauty endures. The Prism Collection is crafted to transcend seasons, delivering designs that remain relevant and inspiring year after year.
